

## The Ride of Silence 2015 ...

Tonight we number many but ride as one  
In honor of those not with us, friends, mothers, fathers, sisters, sons  
With helmets on tight and heads down low,  
We ride in silence, cautious and slow  
The wheels start spinning in the lead pack  
But tonight we ride and no one attacks  
The dark sunglasses cover our tears  
Remembering those we held so dear  
Tonight's ride is to make others aware  
The road is there for all to share  
To those not with us or by our side,  
May God be your partner on your final ride
